

Admiral Radio

Husband & wife folk/pop duo

Preliminary Technical Rider

1. ARRIVAL: Admiral Radio will plan to arrive 4 hours before the performance is set to begin. Thanks for being well prepared to help them present the best concert possible for your audience.
2. STAGE: The minimum stage size is 20' wide x 20' deep. The performing area should be free of sets, props and equipment, and be swept clean.
3. PIANO: NO piano is needed.
4. SOUND: Admiral Radio plans to use the house sound system. They will carry a few pieces of sound gear intended to augment the house system, if needed. Included with the sound gear they will carry are microphones and on-stage sound monitors.
5. HOUSE SOUND TECHNICIAN: Please have the house sound technician available to assist with load-in/out, set-up/tear-down, sound check and running sound for the performance.
6. LIGHTS: The performing area must have a warm wash over the performers, at minimum. Colored gels and specials will enhance the audience's enjoyment of the performance if available. The lights can be set once the duo has arrived.
7. HOUSE LIGHTING TECHNICIAN: Please have the house lighting technician available to set and run lights for the performance.
8. HOSPITALITY: Please have 4 bottles of water available for the duo.
9. HOT MEAL: A hot meal, or a cash buyout is required.
10. CD SALES: One table in the lobby from which to sell CDs.
