

## **Ella Mae Dixon**

The \_\_\_\_\_ Concert Association welcomes the captivating vocal talent of Ella Mae Dixon to the stage of \_\_\_\_\_ (venue) on \_\_\_\_\_ (date) at \_\_\_\_\_ PM as the next concert in the 2026-2027 concert series.

Ella Mae Dixon, originally from Wellfleet, Massachusetts, is drawn to the music of a bygone era. Her performances give new energy to old melodies while paying homage to the styles of yesterday. In March of 2023, at just 19 years old, Ella Mae made her New York City headlining debut to a sold-out crowd at Birdland Jazz Club. Since then, she has headlined some of the most prestigious nightclubs in New York City.

Ella Mae's natural knack for performing and virtuosic musical prowess have garnered praise from both New York critics and audiences alike. Andrew Poretz of Theater Pizzazz said, "She has the chops, the passion in her performance, and the poise and sureness of someone far more experienced...Dixon's performance was flawless."

Don't miss the opportunity to see a NYC performance in your own community.
