

Dear DATA Member,

Last winter was an extremely poor snow season. We are optimistic for a much better snowfall in the 2021-2022 season!

DATA hopes families will get out and enjoy the beauty of our trails in Douglas County and all over Minnesota. Douglas Area Trails Association encourages everyone that rides a snowmobile to be a member of DATA, or the local snowmobile association nearest you. DATA builds and maintains 350+ miles of trails in Douglas County for you to ride and enjoy. MnUSA was created 40 years ago to have a voice at the state level. Without them we wouldn't have a voice on issues affecting snowmobiling in our state.

Annual Membership is \$45.00 - \$20.00 goes to the state association (MnUSA) and \$25.00 stays with DATA to support our local trail development. MnUSA dues have increased to \$25.00 when not paid through a club roster.

Grooming reports, events, advertisers, lodging and trail sponsorship information is available on DATA's website at www.douglasareatrails.com, or call 320-834-2033. We're also on Facebook.

Please include your email address on your form so we can contact you easier.

Thank you for all you do for snowmobiling. Let it SNOW!!!
